## JUNIOR HIGH STRING AUDITION MATERIALS ~ SET II (2018)

There are two junior high performing groups at the South Region Orchestra Clinic. The top players in each section according to rank earn a seat in the Concert Orchestra, and the second highest group of players is invited to join the String Orchestra.

**CONCERT ORCHESTRA:** This first-tier group utilizes 16 Violin I, 16 Violin II, 10 Viola, 10 Cello, and Bases TBD, as well as a full complement of winds, brass, and percussion for a full symphonic orchestral experience. The difficulty of the music is typically what students might encounter in their third year of playing.

**STRING ORCHESTRA:** This second-tier group uses the same number of string players per section as the Concert Orchestra but is a string-only ensemble. The difficulty of the music is typically what students might encounter in their second year of playing.

**\*\*REMINDER:** Individual String applicants must be registered members of ASBOA BEFORE they will be permitted to participate in any ASBOA-sanctioned event. For more information on this, see the document titled "Information for Individual String Applicants," also located on the ASBOA website.

**AUDITION MATERIAL:** All printed fingerings and bowings are required. All instruments have the first two pieces listed in common. The third piece is a solo or orchestral excerpt specific for that instrument.
