La Fiesta Orquesta (Taco Supper) is the Conway Public Schools Orchestra's annual fundraiser. The proceeds from the dinner provide music camp scholarships and help pay for trips, awards, and other activities that benefit our orchestra students at all levels. We also run a silent auction with many items donated by local businesses. We earn money primarily by the sale of tickets for the dinner. Taco Supper promotes our best product: **our students!**

With your permission, your child will receive an envelope containing 8 adult and 2 children's tickets for a total value of \$82. They will be allowed to check out more tickets once they sell their first package. Students will have three weeks to sell the tickets and will receive a prize for selling at least one package (\$82 or more, including donations). Our top three sellers overall will receive **cash prizes of \$100, \$75, and \$50!!!** Students are encouraged to sell to friends, relatives, neighbors, and others who would enjoy the Taco Supper and the concert. Checks should be made payable to Conway Orchestras. Tickets will be distributed in class **Wednesday, September 26th**. All money and any unsold tickets are due back no later than **Wednesday, October 17th**.

We also need parents to volunteer for our silent auction and to serve as greeters that evening. Contact your child's orchestra director to volunteer:
